APRIL 2011 ISSUE

From the Executive Director

Our ministry was birthed in the Mat-Su Valley 25 years ago as the Valley Crisis Pregnancy Center. Though our name and faces have changed, HeartReach remains an inspiration of hope for people facing unplanned pregnancies. It is truly a gift from God that we are able to serve hurting and lost individuals to let them see life both of the child within and eternal life through a relationship with Jesus Christ.

Every day that a mom chooses life for her unborn baby and each day a person accepts Jesus Christ at HeartReach is a day of celebration. I hope you join us May 5 in celebrating what the Lord has done over the last 25 years. *This event is not intended to be a fundraiser and you will be amazed and moved by Gianna's story.*

May God bless you.

Carol Kidwell

“Rejoice in the Lord always, I will say it again: Rejoice! Let your gentleness be evident to all. The Lord is near. Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.”

Philippians 4:4-7 (NIV)
